

DAY 1
Monday, October 29, 2012

Welcome & Opening Remarks

8:00am to 8:30am

Session 1

8:30am to 10:00am

2012 PHEMCE Strategic Implementation Plan

Introduction to the Public Health Emergency Medical Countermeasures Enterprise, the Federal agencies that are a part of it, and its plan for supporting the development of MCM to prepare for and respond to public health threats.

Introduction and Overview

Goal 1: MCM Development and Manufacturing

Goal 2: Pathways for MCM Use

Goal 3: Logistics and Operations Plans

Goal 4: Special Populations

Break

10:00am to 10:30am

Session 2

10:30am to 12:15pm

Core Service Support for MCM Development

Services available from Federal agencies to MCM developers that will provide data, materials, and/or guidance to advance the evaluation and approval of their products

Studies in Animal Models

Clinical Studies

Regulatory Support

Development and Manufacturing

Lunch

12:15pm to 1:15pm

Session 3

1:15pm to 3:15pm

Multi-Purpose MCM for Current and Emerging Threats

Development of MCM that provide capabilities to respond against multiple known and, potentially, unknown threats

Development of Antimicrobials and Broad-Spectrum Activity:

Antibiotics

Antivirals

Repurposing of Approved Products for Use Against Public Health Threats:

Chemical

Rad/Nuc/Burns

Clinical Diagnostics:

Influenza

CBRN

Respiratory Devices for Use in Mass Casualty Events

Break

3:15pm to 3:45

Session 4

3:45pm to 5:15pm

New Approaches to MCM

Concepts for MCM that go beyond the current pathogen-specific drug or vaccine paradigm to provide new capabilities for threat preparedness and response

Prospects for “Universal” Influenza Vaccines

Host-Directed Therapeutics and Immunomodulators

Cellular Therapies for Use in Public Health Emergencies

Innovations and New Technologies

Closing Remarks

5:15pm to 5:30pm

DAY 2
Tuesday, October 30, 2012

Welcome & Introduction

8:30am to 8:45am

Pre-Solicitation

8:45am to 9:25am

Requirements Setting

Market Research & Getting Started

Tech Watch

Solicitation

9:25am to 10:15am

BAA's and RFP's: Their Differences

Walkthrough Introduction

Small Business 101

Break

10:15am to 10:30am

Post-Proposal

10:30am to 12:30am

White Paper Review Process

Contract Types

Business Toolkit

Company Success Story

Regulatory

Earned Value Management

Proposal Evaluations

Lunch

12:30pm to 2:00pm

Competitive Range

2:00pm to 2:30pm

Negotiations

Debriefing

Award & Administration (Part 1)

2:30pm to 3:20pm

Walkthrough Award Synopsis

Contracting Officer's Authorization

Afternoon Break

3:00pm to 3:20pm

Award & Administration (Part 2)

3:20pm to 4:50pm

Invoicing

Contract Modifications

In Process Reviews

Other Opportunities

Closing & Questions

4:50pm to 5:00pm

DAY 3

Wednesday, October 31, 2012

Pre-Scheduled ASPR Staff Meetings & Pre-Scheduled Tech Watches

8:30 – 4:30 PM
