

BARDA Industry Day

TechWatch

Adam Clark, Ph.D

Program Officer, BARDA

October 30, 2012

Medical Countermeasure Development and the PHEMCE

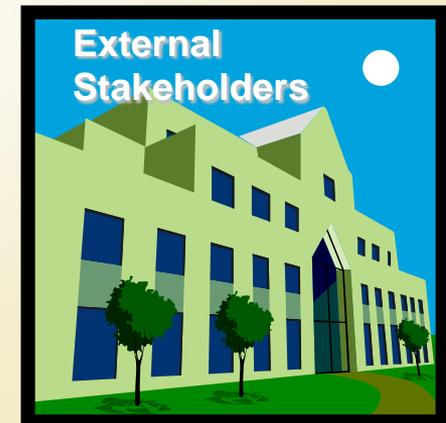

Enterprise Stakeholders Workshop & BARDA Dialogues

BARDA Industry Day

MedicalCountermeasures.gov

Goals of TechWatch

- TechWatch meetings are organized by the Division of Strategic Science Technology in BARDA
- TechWatch meetings are for informational purposes only
- Inform the Government about current countermeasures and emerging technologies for preparedness and response
- Attendance are Scientific SME's, project management (ASPR, BARDA, NIH, FDA, CDC, DoD) and contracting staff to ensure the procurement integrity guidelines
- Companies receive guidance on possible next steps in development of their countermeasure product
- Serves as a forum for market research which gathers information to help planning the future requirements and solicitation for countermeasure R&D procurement.
 - BARDA BAAs
 - White paper submissions
