

United States Department of
Health & Human Services
Office of the Assistant Secretary for Preparedness and Response

Transforming Our Approaches to Stockpiled Pandemic Influenza Medical Countermeasures

Robert C. Huebner, Ph.D.
Director, Influenza Division
BARDA

- Vaccines

- Antiviral Drugs

- Ventilators

- Respiratory Protection Devices

Re-assess Current Pandemic Vaccine Stockpiling Approach

- Going from stockpile building to maintenance
- Need to incorporate lessons learned from 2009 H1N1 pandemic
- Need an approach to rapidly respond to new threats
 - Not all threats are equal
- Need to control program costs while maintaining preparedness capabilities
