

Day One:
Establishing a First Line of Biodefense
Wednesday, October 14, 2015
AMPHITHEATER

Session 1

8:30 am to 9:30 am

Welcome & Opening Comments

Robin Robinson, Ph.D.
Director, Biomedical Advanced Research and Development Authority
Deputy Assistant Secretary for Preparedness and Response
U.S. Department of Health and Human Services

AM BREAK

9:30 am to 9:45 am

Session 2

Broad Agency Announcement Rollout

9:45 am to 12:00 pm

Chemical, Biological, Radiological and Nuclear Threats

Gary L. Disbrow, Ph.D.
Director, Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Rodney Wallace
Director, Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Pandemic Influenza

Rick Bright, Ph.D.
Director, Influenza Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Rodney Wallace
Director, Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Innovations Program

Jonathan Seals, Ph.D.
Director, Strategic Science and Technology
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Acquisitions Management, Contracts, and Grants Tutorial

Sherica Teshome
Contracting Officer
Office of Acquisitions Management, Contracts and Grants
U.S. Department of Health and Human Services

Wendell Conyers
Contracting Officer
Office of Acquisitions Management, Contracts and Grants
U.S. Department of Health and Human Services

George J. Keane, Jr., M.B.A
Contracting Officer
Office of Acquisitions Management, Contracts and Grants
U.S. Department of Health and Human Services

LUNCH (On Your Own)

12:00 pm to 1:00 pm

Session 3

Improving Performance and Supply of Influenza Countermeasures

1:00 pm to 2:45 pm

The Quest for More Effective Influenza Vaccines

Armen Donabedian, Ph.D.
Chief of Influenza Vaccine Branch
Influenza Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Pandemic Influenza Vaccine Stockpile

Vittoria Ciocce, Ph.D.
Chief of Influenza Stockpile Branch
Influenza Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Influenza Therapeutics

Melissa Willis, Ph.D.
Chief, Influenza Therapeutics Branch
Influenza Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Respiratory Protective Devices and Ventilators

Rodney Wallace
Director, Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Influenza Diagnostics

Rodney Wallace
Director, Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

PM BREAK

2:45 pm to 3:15 pm

Session 4
Preparing for Man-made Terror Threats
3:15 pm to 5:00 pm

Vaccines [Anthrax, Smallpox, Ebola]

Eric Espeland, Ph.D.
Chief, Vaccine Countermeasures
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Anti-Infective Therapeutics [Anthrax, Smallpox, Ebola, Botulinum, and Other Biothreats]

Melissa Stundick Ph.D.
Chief, Broad Spectrum Antimicrobials (BSA) Program
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Rad/Nuc Medical Countermeasures

Mary Homer, Ph.D.
Chief, Rad/Nuc Medical Countermeasures
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Thermal Burn Medical Countermeasures

Narayan Iyer, Ph.D.
Chief (Acting), Burn Injuries Medical Countermeasures
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Chem Medical Countermeasures

Judith Wolfe Laney, Ph.D.
Chief (Acting), Chemical Medical Countermeasures
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Biothreat Diagnostics

Donna Boston, M.S., PMP
Team Lead, Bio-threat Agent Diagnostics
Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Biodosimetry

Lynne Wathen, Ph.D.
Team Lead, Biodosimetry and Chemical Threat Diagnostics
Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Day Two:
Creating a Robust, Flexible National Response Capability
Thursday, October 15, 2015
AMPHITHEATER

Session 5

8:45 am to 10:00 am

Welcome and Opening Remarks

Richard Hatchett, M.D.

Chief Medical Officer and Deputy Director, Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Introduction of Keynote Speaker

Robin Robinson, Ph.D.

Director, Biomedical Advanced Research and Development Authority
Deputy Assistant Secretary for Preparedness and Response
U.S. Department of Health and Human Services

Keynote Address

The Honorable Senator Richard Burr
United States Senate - North Carolina

AM BREAK

10:00 am to 10:30 am

Session 6

The Challenge of Naturally Emerging Infectious Diseases

10:30 am to 12:00 pm

Ebola Update

Gary L. Disbrow, Ph.D.

Director, Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

MERS-CoV

Rick Bright, Ph.D.

Director, Influenza Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Emerging Infectious Disease Preparedness

Richard Hatchett, M.D.

Chief Medical Officer and Deputy Director, Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

LUNCH (On Your Own)

12:00 pm to 1:00 pm

Session 7

Building a National Medical Countermeasure Response Infrastructure

1:00 pm to 2:45 pm

National MCM Response Infrastructure

Robin Robinson, Ph.D.

Director, Biomedical Advanced Research and Development Authority
Deputy Assistant Secretary for Preparedness and Response
U.S. Department of Health and Human Services

Nonclinical Studies Network

Adeyinka Reeves, M.S., PMP

Chief, Nonclinical Development Network
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

John Esker, Ph.D.

Project Officer, Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Christopher Houchens, Ph.D.

Project Officer, Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Clinical Studies Network

Robert Walker, Ph.D.

Deputy Director, Division of Clinical Studies
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Centers for Innovation in Advanced Development and Manufacturing

Michael Angelastro

Deputy Director, Manufacturing Facilities and Engineering Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Fill Finish Manufacturing Network

Arlene Joyner

Senior Project Officer
Manufacturing Facilities and Engineering Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

PM BREAK

2:45 pm to 3:00 pm

Session 8

Building a National Medical Countermeasure Response Infrastructure (Cont)

3:00 pm to 3:40 pm

Analytical Decision Support

Timothy Lant, Ph.D.
Director, Analytic Decision Support (ADS)
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Regulatory and Quality Affairs Support

Debra Yeskey, Pharm.D.
Director, Regulatory and Quality Affairs Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

New Initiatives and Future Directions

3:40 pm to 5:00 pm

Continuous Manufacturing Initiative

Janet Woodcock, M.D.
Director, Center for Drug Evaluation and Research
Food and Drug Administration
U.S. Department of Health and Human Services

Robin Robinson, Ph.D.
Director, Biomedical Advanced Research and Development Authority
Deputy Assistant Secretary for Preparedness and Response
U.S. Department of Health and Human Services

Combatting Antimicrobial Resistance (CARB) Initiative

Joseph Larsen, Ph.D.
Deputy Director, Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Melissa Stundick Ph.D.
Chief, Broad Spectrum Antimicrobials (BSA) Program
Division of Chemical, Biological, Radiological, and Nuclear Countermeasures
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Rodney Wallace
Director, Diagnostics and Medical Devices Division
Biomedical Advanced Research and Development Authority
U.S. Department of Health and Human Services

Closing Remarks

Robin Robinson, Ph.D.
Director, Biomedical Advanced Research and Development Authority
Deputy Assistant Secretary for Preparedness and Response
U.S. Department of Health and Human Services

Day Three:
**BARDA 2015: From Biodefense R&D to a Medical
Countermeasure Response Capability**
Friday October 16, 2015
HEMISPHERE SUITES & CONTINENTAL C CONCOURSE LEVEL

Pre-Scheduled Individual Meetings

8:00 am to 5:00 pm

Biomedical Advanced Research and Development Authority

U.S. Department of Health and Human Services

&

Office of Acquisitions Management, Contracts and Grants

U.S. Department of Health and Human Services
