

**Department of Health and Human Services (HHS)
Assistant Secretary for Preparedness and Response (ASPR)
Biomedical Advanced Research and Development Authority (BARDA)**

**Travel, Lodging, & Dining Services Information
For the HHS Humphrey Building in Washington, D.C.**

- Dept. of Health & Human Services Headquarters
- Federal Center Metro Station
- Holiday Inn – Capitol
- △ Residence Inn – Washington, DC/Capitol

Airports

These are the two closest airports to the Washington, D.C. area. Ronald Reagan National Airport (DCA) is the shortest travel distance to the meeting (3 miles south of downtown Washington, D.C.). Both airports have car rental services, as well as bus options. DCA provides easy Metrorail access on the yellow line:

Ronald Reagan Washington National Airport (DCA)
Arlington, VA 22202

Washington Dulles International Airport (IAD)
1 Saarinen Circle
Dulles, VA 20166

Hotel Options

Room blocks will not be provided, however, these are two nearby hotel options that are available for any long distance travelers:

[Holiday Inn Washington – Capitol](#)

- Two blocks walking from the HHS Humphrey building
- Two blocks walking from the Federal Center SW Metro (blue/orange line)
- One block walking from the L'Enfant Plaza Metro (yellow/green/blue/orange line)

[Residence Inn Washington, DC/Capitol](#)

- Two blocks walking from the O'Neill building
- Two blocks walking from the Federal Center SW Metro (blue/orange line)
- Three blocks walking from the L'Enfant Plaza Metro (yellow/green/blue/orange line)

D.C. Metrorail

For those utilizing the D.C. Metrorail, Metro fare must be purchased by using a SmarTrip card (paper cards no longer exist). SmarTrip cards cost \$2 and can be purchased at any metro station kiosk. These cards can be kept for future metro travel in Washington, D.C., and can have additional funds added at the various stations or [online](#).

Directions to the Building

From Federal Center SW metro station (blue/orange line): Make a left at the top of the escalators upon exiting to the street. The HHS Humphrey building is about a block away on the right at the corner of C & 3rd Street (the visitor entrance is on the Independence Avenue side).

From L'Enfant Plaza metro station (blue/orange/yellow/green line): Exit via the Maryland Street exit and proceed right down Maryland Avenue, take a right on 6th Street, and take a left straight down C Street. The HHS Humphrey building will be about 2.5 blocks down on your left.

Driving: There are a few parking garages directly on E Street ranging from \$15-20 per day and most of these are cash-only. The easiest parking garage is 250 E. Street SW; it is \$15 and they accept both cash and credit.

Building Security

Plan to arrive 30 minutes before the meeting to allow time for processing through security and escort to the conference room. Once inside the HHS Humphrey building, you will first go through security screening and a metal detector. In order to proceed quickly, it is advised to store any jewelry or metal items in your bag until after you exit the metal detector. You're allowed to bring items into the building, such as computers and cellphones, if needed.

Approach the security desk and show your photo ID (e.g., driver's license, passport) to the security guard. Tell them that you are attending the HHS Summit to Accelerate Zika Diagnostics Development.

There will be HHS staff members waiting in the lobby to escort you to the conference room. You may contact Kimberly Armstrong (202-260-0130) or Natalie Aviles (202-809-4165) if you have any problems finding the building or getting to the conference room.

Dining Options

Food and beverages will not be provided at this meeting, however, there are several dining options nearby and within the HHS Humphrey Building. In the morning, between the metro stations and the HHS Humphrey Building, there are several delis, coffee shops, and restaurants.

For lunch, to reduce time coming back through security, we ask that you utilize the HHS Humphrey Cafeteria, which is right across the hallway from the conference room for the meeting. There are many food, beverage, and snack options, as well as coffee and breakfast items in the morning.

WASHINGTON, D.C. METRORAIL MAP

(*Please note that major construction repairs will be taking place, which may cause travel delays. Please make sure to check the repair schedule and plan accordingly for your travel
